

# Fast Facts

PTC (Nasdaq: PMTC) enables manufacturers to achieve maximum value from their product strategies with software and services designed to optimize key business processes throughout the entire product lifecycle—from conception and design to sourcing and service. PTC’s integral solution portfolio enables customers to unleash product innovation, improve collaboration and ensure product data integrity within engineering and across the enterprise, supply chain and service partner networks. Founded in 1985, PTC employs over 6,000 professionals serving more than 27,000 customers worldwide. More information can be found at [PTC.com](http://PTC.com)
